- ★ 1-to-1 ratio of counselors to campers *at all times* ★
- ★ professional, well-trained, experienced & mature staff ★
- ★ focus on appropriate social interactions & making friends ★
- ★ great respite opportunity for campers' parents/siblings ★

2011 Camp Havvago Dates: Wednesday, July 27—Friday, July 29, 2011

Youth ages 7—16 are invited to “have a go” at experiencing the excitement and fun of overnight camp in a structured, safe and nurturing environment designed to set children on the Spectrum up for success. For three days and two nights, campers will enjoy all the fun of camp—swimming, boating, crafts, nature exploration, campfires, cabin life, and much, much more—while building their social skills, independence, and self-confidence. All too often, amazing youngsters with extra needs don't get the chance to go to camp because the programs aren't designed to ensure their success. **Camp Havvago is intentionally different, set up by therapeutic camping and family support experts to provide a successful and memorable experience for each individual child.** Family members and friends from home are welcome to join us on the last evening of camp for a celebration cookout, awards ceremony, talent show and sing-a-long with your camper, along with an opportunity to meet and connect with other families and with our camp staff. We encourage you to learn more about this unique and wonderful opportunity for respite and to experience overnight camp the way it should be—without stress!
